

Offer your commercial customers a LOW 6.8% rate with NO MONEY down to finance their total project

As we continue helping you grow your HVAC business, we have a new competitive commercial promo you can use from now until September 30th, 2021.

Commercial Job Cost	\$20,000	\$50,000	\$100,000
60 Monthly Payments	\$394.00	\$986.00	\$1,971.00
Financing Rate*	6.8%	6.8%	6.8%

*Rates valid through 9/30/21. This program does not assume your company will qualify to take advantage of the IRS Section #179 depreciation schedule which allows rapid first year depreciation of certain assets acquired. The amount of previous depreciation your company may have used may affect your ability to utilize the elections. Please consult your tax advisor or accountant for additional information. Equipment must be purchased and placed in service by 1/1/2022

Who qualifies for this promo?

Building Owners	Building Tenants/Renters
-----------------	--------------------------

What parts of the commercial job can be financed?
